

Greek Legacy Rubric

Make sure to have a typed copy of the research you gathered to turn in with your final project (You can share a Google Doc). Your research should include:

- A. **When it was invented (2pts)**
- B. **Explanation of how your invention was used by the ancient Greeks (3pts)**
- C. **Person that invented it with a background information on that inventor (5pts)**
- D. **The impact that this invention has had on the modern world.** For example, when the wheel was invented, this made work easier and made it possible for automobiles to be invented. (5pts)
- E. **How this invention is used today.** Do we use it the same way? Have we adapted the invention to fit our modern day needs? (5pts)
- F. **Final Project (10pts)**
 - a. **Is it creative? (1pt)**
 - b. **Did you include a visual of your invention (1pt)**
 - c. **Did you include the inventors name (1pt)**
 - d. **Does your advertisement tell the ancient Greeks how they should use it? (4pts)**
 - e. **Does your advertisement give a brief description of your invention (3pts)**

Total points available: 30

Best bet would be to create a Google Doc and share it with me and your partner. This is how you should TITLE your Google Doc: **YOUR INVENTION (PERIOD) example: Greek Columns (1-2)**
