

The Middle Ages

Feudal Contract

Welcome to the time of castles, knights, queens and kings; a time full of chivalry, bravery, and minimal dental care. Yes, be glad you are born in this time period or your mouthwash could have been a spoonful of your own fresh urine (<http://drjuggles.com/history-of-dentistry.php>).

During this unit you will be required to complete three projects with a final total of **150 points**. For the most part, these projects will be completed on your time; however, you may work on them in class if the daily activity is completed.
